Small School & District Leaders: THIS ONE IS FOR YOU

CCEE'S WEBINAR "Build Your Capacity to Make Data-Informed Decisions"

[The California Collaborative for Educational Excellence](#) is excited to offer the **second part** of a **two-part training series** that dives deeper into Dashboard data to help local education agencies (LEAs) make decisions that are research-based, equity focused, and informed by stakeholder engagement.

The training will be livestreamed via a Zoom webinar. Below are details and registration link:

Data and Evaluation Module/Part 2

THURSDAY, MARCH 1
10am—12pm

Small District & School Leaders:

Build Your Capacity to Make Data-Informed Decisions

This session is tailored for representatives from small LEAs that might have limited Dashboard data. Participants will examine the Dashboard and dive deeply into other sources of district and school data that can contribute to a strategic planning process with the goal of improving student outcomes. This training is also designed to benefit representatives from charter schools.

Location: Zoom webinar
