Let's Get Cookin'
Google Docs

- New Google Doc
- Insert Table
- Add at least 1 image using the Explore Tool.
- Add information obtained from Explore Tool
- Cite with footnote.
- Add Hyperlinks

Google Docs

- Share a Google Doc With a Colleague
- Insert Links to a YouTube Playlist
- Make a Bookmark
SCENARIO # 1

Use Google Documents to make a Newsletter

1) Make a Google Document and insert a Table.
2) Modify the Table for each subject or team of teachers
3) Insert an image for each row
4) Share the Newsletter with colleagues.
5) Leave a direct comment or assign an area for another teacher.

SCENARIO # 2

You want to make a template document to share with your colleagues and comment while they collaborate.

1) Make a Google Document and add text.
2) Add an image that you find online.
3) Highlight the last sentence and leave a comment.
4) Make a direct comment to a specific teacher
   (HINT: Use +example@noemail.com to send an email)
