Make the Experience Interactive

What if...

A close-up photograph of a person's hand, palm up, holding a string of warm white LED lights. The lights are arranged in a loose, circular pattern above the hand. The background is a soft, out-of-focus blue. The text is overlaid in the center of the image.

...you could redefine the
learning experience?

What if...

...you **had** to redefine *the learning experience?*

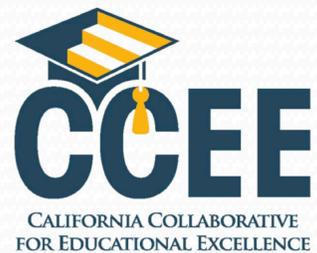

Share your thoughts in the chat.

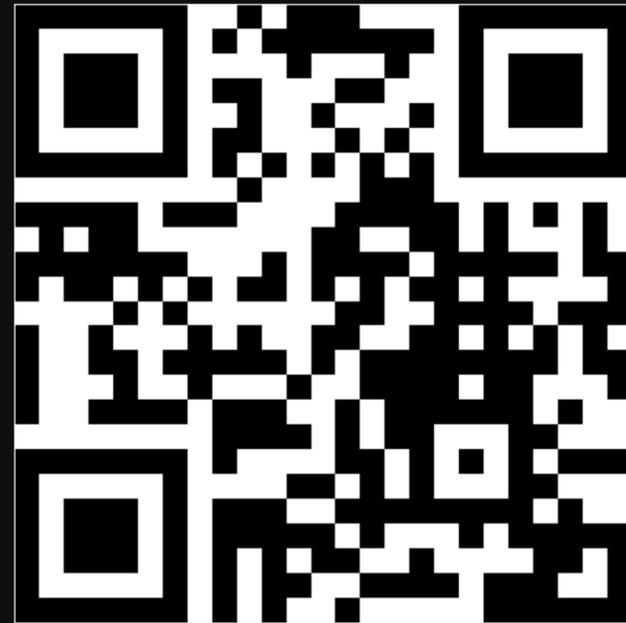

- *What would you want the learning experience to feel like for the student?*
