

Together
with SIL
inspire connect & innovate
for students with disabilities

Leadership Series

Audience: Educational Leaders/Administrators

Join *Together with System Improvement Leads (SIL)*, a virtual networking event, and connect with colleagues across the state and discuss various topics related to expanding in-person learning opportunities for students with disabilities. Thought partner, share resources, and spread promising ideas across a supportive network of educators dedicated to equitable access for students with disabilities.

Together we will:

- Inspire educators to leverage school re-opening as an opportunity to center the needs of students with disabilities.
- Connect educators with job-alike colleagues to provide thought partnership and support.
- Innovate together by spreading promising ideas throughout the state.

Participants are welcome to attend any or all of the sessions.

Session 1: AB 86 COVID-19 Relief | 5/12/21 | 1pm - 2:30pm | Virtual

Session 2: Extended School Year | 5/19/21 | 1pm - 2:30pm | Virtual

Session 3: 2021-2022 School Year Re-entry | 5/26/21 | 1pm - 2:30pm | Virtual
