

# ANTI-BIAS PRACTICES: CLASSROOM CULTURE

**Driving Question: To whom are you accountable for whether your classroom honors student identities and is a safe space for all learners??**

Reflect on how you honor identities in your classroom.  
What is one area for improvement?

How will/do you know you are successful?  
What evidence do you have?

How do you create a safe space for all learners?

How will/do you know you are successful?  
What evidence do you have?
