<p><i>How have you engaged the community in decision-making in the past? Are you satisfied with the outcomes?</i></p>	<p><i>If you were able to do any community engagement during the COVID-19 emergency, what did you do? Are you satisfied with the outcomes?</i></p>	<p><i>What might you integrate or initiate in your district/school around engaging the community in decision-making? What are the outcomes you hope to see?</i></p>
