

The 80/20 Approach to Work

1. _____

6. _____

2. _____

7. _____

3. _____

8. _____

4. _____

9. _____

5. _____

10. _____

Notes

Systems Thinking Models

Diagram 1: Two small circles, each containing a dot. There are also three dots scattered outside.

Diagram 2: A large circle containing all five dots.

Diagram 3: A large circle containing all five dots. Two smaller circles are drawn inside the large circle, each containing one of the dots.

[] [] []

Diagram 1: Two vertical rectangles, each containing several dots. There are also several dots scattered outside.

Diagram 2: A large rectangle containing all the dots.

Diagram 3: A large rectangle containing all the dots. Two smaller rectangles are drawn inside the large rectangle, each containing several dots.

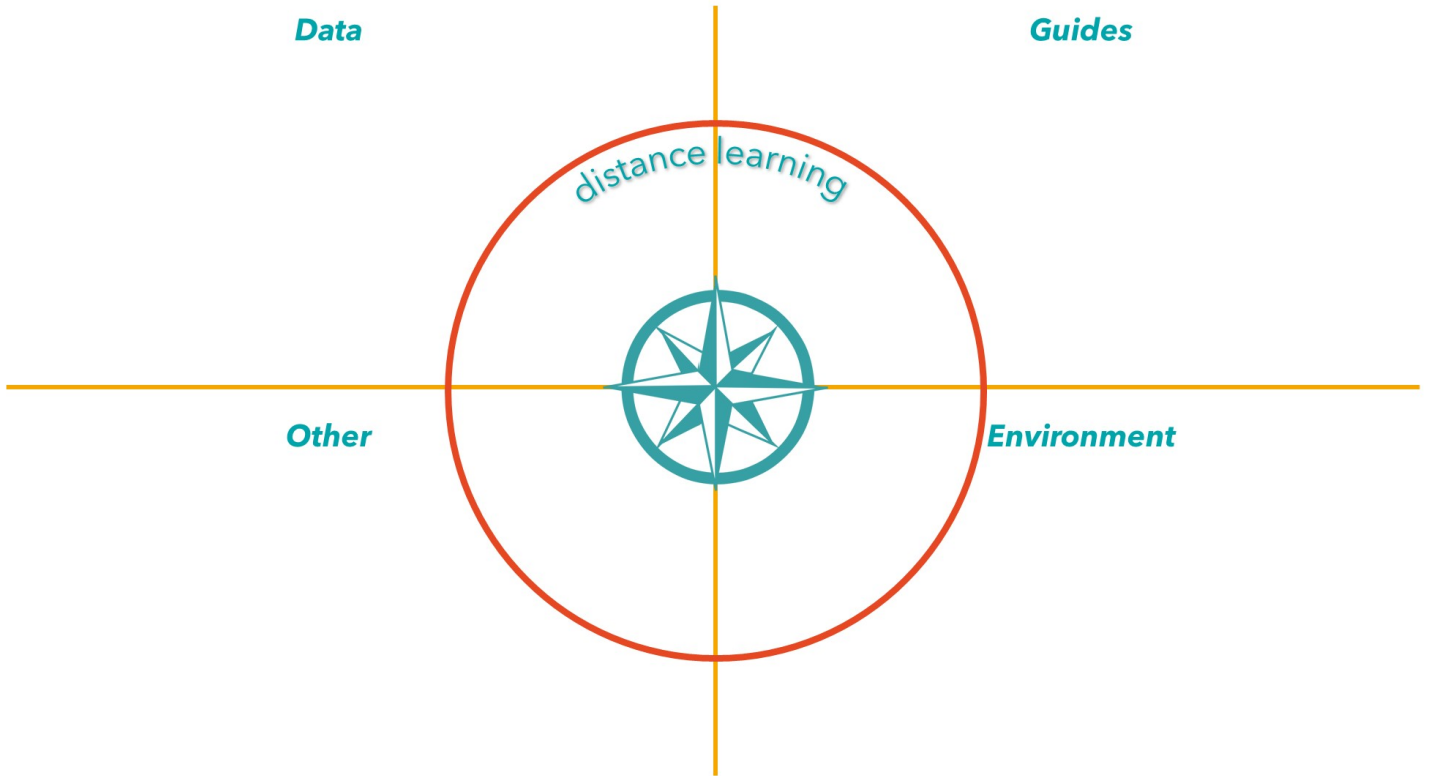

[] [] []

Diagram 1: Six scattered triangles.

Diagram 2: A large circle containing all six triangles. Several lines connect the triangles, forming a network.
