

NEEDS ASSESSMENT

When you start school next year, what do we want students to...

ACTIONS

What was tried in my/our classroom, school, or district? This list could include: accessing or implementing of virtual learning, attending to SEL needs of learners, adjusting operations, integrating emerging content, etc.

Impact

For whom did this work well?

Why

Why did this work well?

Improve

What needs to change for this to work well or better?

PEOPLE

From whom do we need to hear?

How does this person or group help us address diversity and inclusion efforts?

What do we want to learn from this group?

What strategy/location would work best to connect?

From whom do we need to hear?	How does this person or group help us address diversity and inclusion efforts?	What do we want to learn from this group?	What strategy/location would work best to connect?
