

DIGITAL STATION ROTATION REFLECTION

Name of station	
Your name	

Indicate your thoughts here	Strongly disagree	Disagree	Neutral	Agree	Strongly agree
The digital station rotation was an engaging and interactive way to explore the content material.					
This way of exploring the material was more entertaining than the teacher lecturing.					
The digital station rotation used a variety of digital applications that were fun and entertaining.					
I would like to learn content material by going through a different digital station rotation in the future.
