

# LESSON PLAN

**Guiding Question: How do I create a culture of equity, curiosity, and inclusion on a daily basis?**

What in this lesson will engage students' curiosity?

How does this build relevant knowledge?

What will students create or practice?  
How will students communicate their learning?

How will I provide feedback and opportunity for feedback?

# LESSON PLAN

Where is there space in this lesson for students to be their authentic selves?  
How does being their true selves aid in demonstrating the goal(s) outlined in this lesson?

Where is the space for you, the instructor, to be your authentic self?  
How does being your true self aid in helping students reach the goal(s) of this lesson?
