

EPF SOAR Series

This webinar series is designed to help participants understand how to use the strategic observation and reflection (SOAR) Teaching Frames as tools to drive improvements in teaching and learning. Participants will engage in cycles of strategic observation and reflection to foster teacher growth and enhance student learning in traditional, online, and hybrid learning environments.

Registration is now open for the following courses:

COURSE	DATES
Supporting Student Interactions with Complex Text in Hybrid & Online Classrooms <i>Thursdays from 3:30pm-6:00pm</i>	Module 1 - February 18 Module 2 - February 25 Module 3 - March 11 Module 4 - March 25
Strengthening Student-to-Student Discussions in Hybrid & Online Classrooms <i>Wednesdays from 12:30pm-3:00pm</i>	Module 1 - April 14 Module 2 - April 21 Module 3 - May 5 Module 4 - May 19
Facilitating Mathematical Discussions in Hybrid & Online Classrooms <i>Offered as an asynchronous course</i>	Course content will be available on April 14.

Registrants will receive a confirmation email with links to the individual modules. Please note that each course has a different registration form. If interested in registering for multiple courses, please *register for each course separately* by clicking on the appropriate course link.

OBJECTIVES

- Introducing teams to the SOAR practices within the Teaching Frame
- Supporting implementation of the practices in hybrid environments
- Introducing a structured process for cycles of strategic observation and reflection
- Designing and delivering a SOAR lesson for use in their hybrid classrooms
