

Signed Contract Award Notification

The California Collaborative for Educational Excellence (CCEE) and its Administrative Agent, the Marin County Office of Education (MCOE), issued a Request for Proposals for the Learning Acceleration System Grant (RFP) on November 30, 2021. Consistent with that RFP, the CCEE provides the following signed contract award notification.

As required by Section 152 of the 2021-22 Education Omnibus Trailer Bill (Assembly Bill 130, as amended by Section 43 of Assembly Bill 167), and following the process set forth in the relevant legislation and RFP, the Executive Director of the CCEE, with the approval of the Executive Director of the State Board of Education, has selected the following local educational agencies for receipt of Learning Acceleration System grant funds, and the MCOE has finalized contracts for the 2022-2023 fiscal year with each of the grantees. Total grant award amounts for the term of the grant (2022-2026) are included below.

Learning Acceleration System Grantees	Grant Award Amount
Lake County Office of Education	\$11,000,000
San Diego County Office of Education	\$14,500,000
Santa Clara County Office of Education	\$19,500,000

Due to the year-to-year nature of the CCEE's funding, each of the contracts is for a single fiscal year. Continuation of the project/funding is contingent on the parties entering into an agreement for each subsequent fiscal year in which the services will be performed.
