

Center Initiatives

Advise and assist County Offices of Education (COEs) and Local Education Agencies (LEAs) in need of targeted assistance in achieving their LCAP goals by effectively meeting the needs of students.

Identify and use school/district turnaround principles that effectively build capacity of LEAs in Direct Technical Assistance (DTA) to address the academic and social emotional well-being of all students.

Build a statewide professional learning infrastructure focused on learning acceleration through Evidence-Based Practices (EBPs) in Literacy, Mathematics, and Language Development.

Stephanie Gregson, Ed.D.

Deputy Executive Director

Focus: Dr. Gregson oversees the TLLC's efforts focusing on school turnaround centering on improving teaching and learning within districts and schools aimed at equitable access, opportunity, and outcomes for students.
