

California Small School District Leadership Institute

Personalized professional development tailored for small school district leaders.
Don't travel the leadership road alone.

We are better together.

Join the '22-'23 California Small School District Leadership Institute!

The Institute is built around three system pillars:

- Transformational Leadership
- High Impact Data and Instruction
- Effective Governance

Anticipated areas of focus include:

- Development of clear goals with impact for the Board and the Superintendent
- Alignment and allocation of resources for transformative system improvement
- Recruitment and retention
- Capacity building to sustain and scale

Veteran superintendents and content area experts will serve as Institute faculty to support exploration of improvement design and implementation.

Institute Structure

- Full Institute Workshops (dates to be determined by participants)
- Common Characteristic Learning Groups (dates to be determined by participants)
- Coaching sessions after each Learning Group (scheduled individually)
- In-person meeting(s) to celebrate the learnings

Cost

\$950* per district (2-3 leaders**) — Includes all sessions, materials, and a digital resource bank with district-specific tools

*If you are a district with under 250 enrollment, please contact SSDA to discuss pricing. Our intention is to not have cost be prohibitive for attendance by any district.

**We highly encourage joining with a colleague (or two) to build capacity for new and rising leaders within your district.
