# Register Now! Free UPK Workshops

The California Collaborative for Educational Excellence (CCEE) has partnered with the Santa Clara County Office of Education (SCCOE) to host two workshops on Universal Pre-K Blending, Braiding, and Layering funding for districts, county offices, charter schools and community partners.

## Workshops

Workshops will be structured around guided working sessions in which LEA teams will use strategic planning tools, with the help of expert coaches, to generate solutions and strategic action plans that are specific to each LEA's circumstances. For the best results, LEA's are encouraged to bring a multi-disciplinary team to the workshop.

For more information, contact CCEE Assistant Director, Julie Boesch ([jboesch@ccee-ca.org](mailto:jboesch@ccee-ca.org))

## Register Here

To apply to participate, please complete this short six question, multiple choice application by no later than March 10, 2023. There is no cost to participate as CCEE is covering the cost of all registration fees.

Selected participants can choose which day they will attend and whether they will participate virtually or in-person.
