California Small School District Leadership Institute 2023-2024

Personalized professional development tailored for small school district leaders.
Don't travel the leadership road alone.

We are better together.

Join the '23-'24 California Small School District Leadership Institute!

The Institute is built around three system pillars:

- Transformational Leadership
- High Impact Data and Instruction
- Effective Governance

Focus Areas to Include:

- Development of clear goals with impact for the Board and the Superintendent
- Alignment and allocation of resources for transformative system improvement
- Recruitment and retention
- Capacity building to sustain and scale
- Examine the importance of ethical leadership
- Identify personal and professional values

Veteran superintendents and content area experts will serve as Institute faculty.
